Congratulations to our 2025 Champions!

MERCY STREET SCRAMBLE

About Mercy Street

THE MISSION

Mercy Street exists to cultivate mutually transforming relationships with inner-city youth through Christian mentorship.

THE METHOD

Since 2003, Mercy Street has faithfully served the youth and families of West and South Dallas through sports, Christian mentorship, leadership development, and community engagement. Their impact extends far beyond sports – strengthening families, building community, improving educational outcomes, and creating pathways toward hope, faith, and long-term opportunity.

THE IMPACT

Last year alone, Mercy Street served more than 4,500 youth through its programs, facilitated over 200 mentoring relationships, mobilized 878 volunteers, and generated more than 10,000 volunteer hours across West and South Dallas communities. Every athlete who participates receives financial assistance, ensuring that cost is never a barrier to opportunity, mentorship, or belonging.
